Dear Almond,

Tunbridge Wells Care Centre

Now the dust is beginning to settle on Christmas and with a New Year just around the corner, I wanted to take this opportunity to write thanking you on behalf of TWCC for providing us with some wonderful entertainment.

Everyone has an inbuilt need to participate in activity and what we do makes us who we are. Engaging in a balance of self-care, work and play activities is essential to our physical and mental well-being, and thereby, our quality of life.

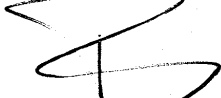

Here at TWCC we have strived to put in place an activity programme that is both stimulating and entertaining. As well as our own in-house activity schedule, we have been lucky enough to engage the services of a travelling zoo, magicians, jugglers, hatching chicks, pottery painting, harpists, memorabilia displays, singers, keyboard players, dancers, dancing dogs, a ventriloquist, a story teller and choirs from local schools.

You have been instrumental in our variety programme provision.

All of us at TWCC look forward to welcoming you back in the New Year, which we hope will be a happy one for you.

Best wishes.

Yours sincerely,

Bill Blackford
Activities Co-ordinator
